Will you be here on Tuesday? I have checked in with Donn and David Grey to see who will come from the EPA.

The commissioner has specifically requested that EPA reps. be present for the recognition and photo op.. They will bring this item out of order so as to not waste will be recognizing everyone listed and there will be a photo op.

The commissioner has also asked for a list of those who will be attending in advance so please let me know.

thanks,
Snehal

Subject: Invitation - Harris County Resolution in Recognition of Individuals and Entities that have helped in achieving a major milestone

On behalf of my office, we wanted to let you know that Harris County Commissioners Court will be considering a resolution by Commissioner Morman, Precinct 2 regarding:

Request for approval of a resolution recognizing the individuals, organizations, government agencies, and elected officials who have worked to make significant progress in the cleanup of the San Jacinto River waste pits superfund site.

It is your efforts that are being recognized and we would like to invite you all to come and be recognized for your dedication and hard work. We can meet outside the agenda room in the hallway on the 9th floor of the Administration Building on Preston (we have met before in the commissioners court room right next to where the meeting will be for some of the big meetings). I will be there after 9:30 am.

More information is available at <http://www.co.harris.tx.us/agenda/2011/07-12-11ag.pdf>,

page 27, item 22(c)(2).

It starts at 10 am and even if the number of items on the agenda, it can go quickly.

Please let me know who will be attending or representing your entities. If you have any questions, please let me know.

Best wishes,
Snehal
